Citizenship Washington Focus Trip Available!

Take your 4-H experience to another level through Citizenship Washington Focus (CWF), a six-day intensive summer citizenship program for youth age 14-18, June 18 – 24, 2017. CWF delegates learn about the democratic process and their role as citizens while they experience our nation's capital. Get the inside scoop about how government really works from prominent guest speakers. College-age program assistants lead bill writing workshops, a national issues forum, mock elections and congressional sessions that prepare you for leadership now and in the future. The cost is \$1,600 per youth delegate (transportation, lodging, and most meals). Some Leader Associations provide scholarships. Youth delegates should plan to bring approximately \$300 in spending money. Those interested should contact the office at 244-5622.
