By completing and signing this request, I hereby request and consent to allow aerial hunting of coyotes and/or fox as instituted under South Dakota Administrative Rule on those lands owned, leased, or administered by me.

South Dakota aerial hunting permits are issued by the South Dakota Department of Game, Fish and Parks (GFP). These permits are provided ONLY for the protection of livestock from predators; these permits are not issued for hunting coyotes and/or fox for commercial or recreational purposes. Any misuse of these permits constitutes a violation of state and federal statutes. Individual violators may fall under several state and federally prosecutable offenses including the Federal Airborne Hunting Act. The information required below must be provided by the landowner or operator.

The signature must be completed in the landowner or operator's own handwriting.

DISCLAIMER – This is not a contract between the landowner/operator and pilot. Any compensation or issues with liability is between the parties and not with the South Dakota Department of Game, Fish and Parks. The South Dakota Department of Game, Fish and Parks assumes no liability, nor do they make any representation on behalf of the pilot who performs the services requested by the landowner.
