Old Business:

There was no old business.

New Business:

The phone numbers for trappers to cover Perkins County until the new trapper is hired were given out.

An angry crowd was on hand to greet Keith Fisk from the Department of Game, Fish & Parks. People were upset with the way that Game, Fish & Parks treats their trappers and how they had treated Dustin Drews. Fisk says they are working on hiring a new trapper. He also said that we don't have to have liability insurance to get matching funds and he stated that we can spend our money how we want.

Don McKinstry said that we need to talk to the Perkins County Commissioners about raising livestock assessments.

Meeting adjourned.
